

CORNER

The corridor suddenly takes a 90 degree turn, disappearing into the darkness.

The Corner will always be empty, unless the mission book states otherwise, or an Unexpected Event is rolled during the Power Phase.

CORRIDOR

The card has a light grey, metallic background. At the top, the word 'CORNER' is written in white, bold, sans-serif capital letters inside a dark, rectangular frame. Below this is a paragraph of text. Underneath the text is a diagram showing a 90-degree turn in a corridor. The turn is highlighted with a thick black L-shaped border. The top-left corner of the turn is marked with a yellow and black diagonal hazard stripe. At the bottom of the card, the word 'CORRIDOR' is written in white, bold, sans-serif capital letters above a horizontal metal bar with a central bolt.
