ASSAULT SHIELD

You find a large shield leaning against a wall. Although it has seen signs of battle, it is still strong and sturdy.

Assault shields are used during operations of all types. These are rectangular plates, worn on one arm, which are typically equipped with a heavily armoured viewport that offers protection to the operator.

The Assault Shield adds +1 Toughness to the carrier.

VALUE
225C

BACKPACK

Resting against a wall you find a military backpack.

The Backpack allows the wearer to carry 3 additional items of loot. Only 1 Backpack at a time can be worn by a Warrior. Backpacks are not classed as carried loot, and do not take up a loot slot.
